ALL-ON-4 HIGH-END
DESIGNS AT AN
UNPARALLELED
PRICE!

ALL-ON-4 PACKAGES FOR ALL COMMON IMPLANT SYSTEMS

With the new xWerk implant bridges and bar work offers, we offer all components for screwed, implant-supported work at an unbeatable package price!

The offer includes up to 8-way screwed bridge frameworks or bars including all screws and/or titanium bases (directly on the implant or multi-unit system, e.g. for Zimmer Biomet, Nobel Biocare, Straumann Institut, Dentsply, Camlog, Thommen Medical, Osstem, P-I and many more)!

The offer applies to all xWerk implant bridges and bar work products.
